

# Seniors To Lead In Dad's Night Contest Against La Vega

It will be Dad's Night and the final game for 13 Yoe High School seniors when the Yoemen meet a strong LaVega eleven Friday night at Yoe Field. Kickoff time is 8 p.m.

Fathers of the Yoe gridders will be honored during the evening, according to Coach Leo Jackson. The 13 seniors, four composing the starting backfield, will lead Yoemen hopes for victory over LaVega, dropped by 9-AAA champion Killeen, 12-0, last Friday.

Jackson said that all players will probably be back in the line-up for the season football finale. Joe Humpalik, sophomore guard, is recovering from a leg injury that kept him out of the Killeen and Waco University High games.

Other players had returned to the line-up following a seige of flu and numerous injuries.

The 13 seniors appearing for the last time in a YHS grid game are: QB Bobby Elliott, HB's Warren

Rinn and Hubert Marek, FB Guy Dillon, Center Jimmy Smalley, Guard Lee Hollas, Tackles Sidney Koranek and Gene Hillman, and Ends Arthur Marak and Ray Green. Other varsity seniors are John Jedlicka, Steve Dohnalik and Joe Hromick.

Jackson said LaVega is bringing a strong defensive team to Yoe Field headed by Center Diebunko and HB Korenek.

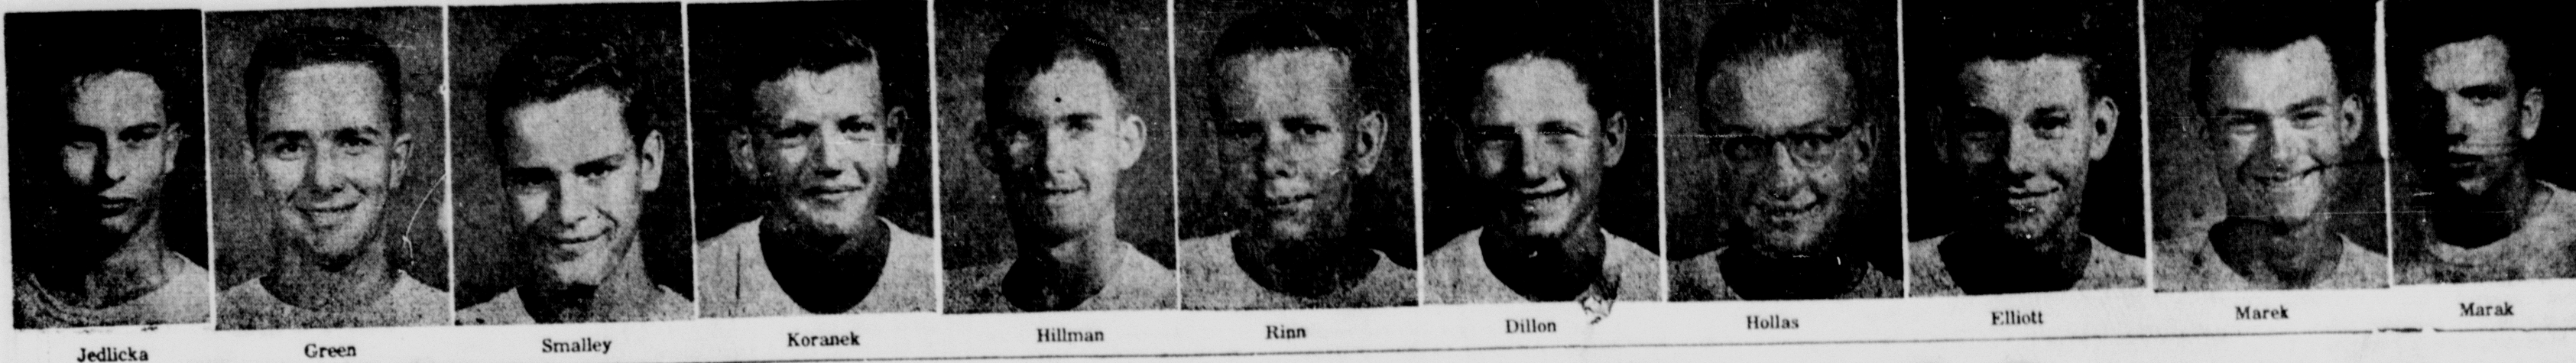

LaVega was rated a pre-season underdog for title

hopes in 9-AAA but upset Waco University and Stephenville. Killeen stopped LaVega hopes for the crown in the game at LaVega last week.

Cameron will outweigh the starting LaVega squad about five pounds, Jackson said. Their heaviest man is Vardeman at 206.

The Cameron B-team will go to LaVega tonight to complete their season.

(See Page 12 For Friday's Lineups)

## Milam Entry Wins 2nd In TFB Contest

Mary Evelyn Smith, Milam County's entry in the Texas Farm Bureau Beauty Contest, Monday night was acclaimed runner-up in the finals of the state contest in Dallas.

Judges named Joyce Gray, Chireno, Texas Farm Bureau queen for 1957-58.

Miss Smith, daughter of Mr. and Mrs. Harry W. Clark, San Gabriel, represented Farm Bureau District 8 in the state contest. She had won the district title following her triumph in county beauty competition in July.

The contest was held Monday night in the Baker Hotel, Dallas. It was one of the highlights of the annual Texas Farm Bureau convention held this weekend.

**12 Others Enter**  
Twelve other contestants representing Farm Bureau districts from throughout the state were entered.

Miss Gray, the winner, will receive \$500 in expense money for herself and chaparone to attend the 39th annual convention of the American Farm Bureau Federation December 8-12 in Chicago.

Miss Smith's second-place win climaxed a series of triumphs in beauty contests in Texas.

The Texas Christian freshman had won the "Miss Lake Belton" title in "Miss Universe" competition and a number of beauty contest titles in Central Texas.

**Graduates From THS**  
A graduate of Thorndale High School, she was band sweetheart there in 1956-57 and also FFA sweetheart.

Three day readings were:  
November 12.....57  
November 13.....19  
November 18.....100

The one-inch rain Monday was the heaviest daily total in several weeks, weather officials said.

But the continued rains boosted growth of small grain crops, the county agent pointed out. Some oat fields are ready to graze as soon as top soil dries enough.

Pecans, too, were benefiting from the steady moisture as the county agent developed beyond earlier expectations, Moore said.

Livestock conditions remain strong for cattlemen, Moore noted. Stocker cattle are reported high for buyers, he said.

Generally, weather conditions have prevented farmers from working in the fields.

**Services Held For Homer McLane, Native Countian**

The Rev. John Solomon conducted funeral services Tuesday morning for Homer McLane, 60, who died at his home Sunday afternoon.

Services were held at the First Presbyterian Church. Interment was in Oak Hill cemetery.

McLane was born in Milam County and had lived in Cameron for more than 40 years. He was employed at the Post Office and McLane Wholesale before joining the staff at Grabein Chevrolet in 1933. At the time of his death he was office manager of the Earle Pearson Chevrolet Co.

An active church worker, McLane was a Deacon of the First Presbyterian Church for many years. In December, 1953 he was named an elder of the church.

He also was active in Boy Scout work.

Survivors are his wife, Mrs. Myrtle McLane of Cameron and one brother, Henry McLane, also of Cameron.

Active pallbearers were Emory Camp, August Knipp, Hugh Smith, Edwin Adams, Franklin Dusek, John Davis, E. O. Schiller and Drayton McLane.

Honorary pallbearers were the Elders and Deacons of the First Presbyterian Church, R. G. Grabein and Employees of Earle Pearson Chevrolet Company.

**MILAM DRAFT BOARD** — Members of the Milam County draft board study some records during a recent meeting. Jeff Henderson, Ben Arnold (extreme right), was awarded a five-year certificate for board service. He was the

## 3rd Milam Draft Board Member Wins 5-Year Service Recognition

A group of unsung county leaders met this weekend to see Jeff A. Henderson, Ben Arnold, receive a well-earned certificate of appreciation.

It was a monthly meeting of the Milam County draft board, a five-member group that meets out draft decisions and classifications with little but complaint for their efforts.

Henderson was the latest of the panel receiving a citation for five years of uncompensated work.

**Kunz Chairman**  
Chairman August Kunz, Cameron, holder of the same certificate since 1953, will be eligible for 10-year recognition next August.

And a third board member, L. D. Barnes, Jr., Thorndale, received the five-year award in 1955.

James H. Baugh, Rockdale, and Leon Brady, Buckholts, complete

the membership of the panel. Selective service professionals and military officers are quick to

point out that draft board members volunteer their services. Like Local Board 92, a draft board meets at least once a month.

**Board Formed In 1948**  
The Milam County board was organized in August, 1948, following passage of the federal Selective Service law.

Kunz is the only remaining member of the original three-man group.

A reserve board was organized, officials said, in 1950 to supplement the active board's operations if the need arose.

Barnes came to the present board after being named to the first reserve board. Henderson, latest recipient of the five-year citation, joined the local group in 1952.

Brady and Baugh were appointed to the board when it was expanded to five members.

**City Service Set For Thanksgiving**  
A community Thanksgiving Service will be held at 7:30 p.m. Wednesday, November 27, at the First Baptist Church, Cameron.

Officials of the Cameron Ministerial Association said a combined choir composed of members of all Cameron church choirs will sing.

The Ministerial Association extends a special invitation to the public to attend the united services.

**Emphasis On Academics**  
The Cameron school board discussed a strengthened school curriculum and called for removal of the school tax assessor's office to the Yoe campus.

In a four and one-half hour session, the group also gave a vote of confidence to the present school administration, heard a letter commending their action in the Killeen question from the Cameron Quarterback Club.

Don Remble touched off a discussion of present school curricula that brought approval from the

## City Council Awards Bond Sale To SA Firms

### 7 Sub-Divisions Set In County For '60 Census

A member of the U. S. Census Bureau has established seven county divisions for census counts to be taken in 1960.

H. C. Walters, member of the Census staff, Washington, D. C., consulted with county officials last week prior to sub-dividing Milam County for the 1960 census.

Walters told The Herald the Bureau is establishing "Census County Divisions" throughout all Texas counties for statistical reporting.

The plan was started in the state of Washington in 1950 and since has been established in 11 other states, Walters said.

The seven Milam County divisions for census taking are: Buckholts, Burlington, Cameron, Davilla, Gause, Rockdale and Thorndale divisions.

Walters pointed out that divisions are based on communities which serve as focal points in each area.

Statistical data for these divisions will serve as a yardstick to measure the sphere of influence exercised by focal communities," he continued.

He indicated the divisions may be useful for county administrative purposes, newspapers and business and civic organizations.

Walters said a staff of eight are assigned the job of taking 1960 census counts in Texas.

**REMEMBER TRADES DAY 3:30 TODAY**

### Civic Clubs To Hold Joint Meet Tuesday

A joint Thanksgiving dinner-meeting for three Cameron service clubs is scheduled noon Tuesday at the First Methodist Church.

Members of the Cameron Lions, Rotary and Kiwanis Clubs will hear the Rev. Alfred Kallus, assistant pastor of St. Monica Catholic Church, speak on a Thanksgiving theme.

The tri-joint meeting is an annual event, officials said.

The Lions Club is acting as host club while the Kiwanis Club is making dinner arrangements. Dinner will be served in the basement of the church, officials said.

**Buckholts Set For Bi-District Game With Hutto**

The Buckholts Badgers and the Hutto Hippos will collide in a bi-district grid contest 8 p.m. today at Taylor's Memorial Stadium.

Winner of District 21-B six-man football, Buckholts will represent the league for the third consecutive year against the Hutto team.

The Hippos will be playing the bi-district for the second year, officials said.

Hutto won the playoff last year at Taylor, 71-57, in one of the highest scoring games in Texas football history.

But the Badgers of Coach Louis DeWald defeated Hutto earlier this season, 28-22.

Buckholts boasts an 8-2 record, including two forfeits from Flat and Jarrell. The Hippos have a 6-2-2 record, including the loss to Buckholts and a 31-7 defeat at the hands of Kyle.

The Buckholts offense is led by Lamar Gresak, junior halfback who has scored 78 points, and Leiland Weido, senior halfback with nine touchdowns to his credit. Nathan Fritz directs the Badgers at quarterback.

Three Glasers, Carroll, Stanley and James, handle line chores. Other team members are John James, Clarence McNeil, Walter Zajicek and Thomas Tate.

Hutto has two backs, Ken Tinn and Kenneth Rondig, who have scored 91 and 105 points respectively.

Buckholts school officials note that fans really will get their money's worth if they follow the Badgers to Taylor. They point out that many area schools will go to eight-man football next year.

**Club Announces Date For Banquet**

The Cameron Quarterback Club has announced plans for an annual football banquet December 17 at Simon-George Hall.

Abe Martin, grid mentor at Texas Christian University, will address the banquet crowd of club members, players and their parents. President Calvin Mark said.

### Weather Notes

Temperatures ranged from a high 84 to a low of 44 this week as another inch of rain fell Monday. Skies were clearing and the forecast was for a sunny week-end in Cameron and vicinity.

Temperatures recorded at the city water department were:

November	Hi	Lo
12	60	47
13	65	56
14	75	46
15	72	54
16	84	61
17	79	65

19	73	49

# MILAM COUNTY'S FARM SCENE

## Cotton Referendum Set At Polls Dec. 10

COLLEGE STATION—Cotton producers of the nation will vote on December 10 to determine whether or not marketing quotas will be in effect on their 1958 crop.

According to R. G. Shrauner, chairman, Texas Agricultural Stabilization and Conservation Committee, this will be the 12th time that growers have registered their choice on this question.

Marketing quotas have been in effect for the last four crops. Last December, 92.4 percent of the farmers voting approved quotas for the 1957 cotton crop. Two-thirds of the voters must favor quotas too, if they are to remain effective. The first referendum was held in 1938.

**Acreage Quota "Must"**  
Under legislative provisions, the secretary of agriculture must proclaim a national marketing quota and a national acreage allotment for upland cotton whenever he finds that the total supply exceeds the normal supply.

The total supply of upland cotton for the 1957-58 marketing year is estimated at 23.6 million running bales and the normal supply, that needed for domestic uses, for exports and a 30 percent carry-over reserve, is estimated at 17.6 million bales.

Thus, the prospective total supply exceeds the normal supply by about 5.6 million bales, and quotas for the 1958 crop of upland cotton had to be proclaimed.

**Market, Acreage Tied**  
Marketing quotas, points out Shrauner, operate through acreage allotments. A grower who exceeds the cotton acreage allotment for his farm, under a cotton marketing quota program will be subject to a marketing quota penalty of 50 percent of parity on the farm's excess production.

Growers who do not exceed their cotton allotments may market free of penalty all of the 1958 cotton production from their farms.

## Auction Consignment Total 389 Thursday At Cameron Sale

Consignments totaled 365 cattle and 24 hogs Thursday at the Cameron Livestock Auction.

Officials said that 111 sellers brought stock to sale which was bid on by 52 buyers.

Consignments were strong despite the muddy weather, they pointed out. The market was steady to \$1 higher than the previous week.

Cows and calves showed the greatest increase in prices, officials noted, while replacement cows were in strong demand with prices up during the sale.

Thursday prices were:

**STEERS:**  
Good & Choice Fed Steers & Yearlings 19.00 23.50  
Common to Medium 18.00 21.00

**COWS:**  
Fat Cows 13.00 15.75  
Canners and Cutters 8.00 13.00

**STOCKER COWS:** 13.00 16.00  
**BULLS:** 12.50 16.50

**CALVES:**  
Good & Choice Slaughter Calves 21.00 23.80  
Common and Medium Kinds 19.00 21.50

**CULLS:** 15.00 17.00  
**Good & Choice Stocker Steer Calves:** 20.00 24.00

**Heifers:** 19.00 22.00  
**Medium to Good Stocker & Feeder Steers:** 16.00 20.00

**COWS AND CALVES:**  
Good 150.00 200.00  
Medium 130.00 160.00  
Plain 95.00 130.00

**Top Hogs, 200 to 245 lbs.:** 17.00

Shrauner said growers could get detailed information on the referendum by visiting the ASC office in their county.

## A&M College Names Balhorn To Ross Unit

John Balhorn, Cameron, has been named a technical sergeant in the Ross Volunteers at Texas A&M College, school officials announced this week.

The unit is an honor military guard at the college. Four other students were named technical sergeants in the honor unit.

## Dairy Seminar Set

How some of the current problems faced by the dairy industry of Texas are handled will have an important bearing upon the future of the industry, says A. M. Meekma, extension dairy husbandman. Discussions of the highly important problems will be featured on the program of the annual Dairyman's Short Course which is scheduled for December 5-6. All meetings will be held in the A&M Memorial Student Center.

## Survey Says Feed Takes 2-Thirds Of Poultry Cost

COLLEGE STATION—Periods of lower prices for poultry products put real emphasis on the study of production costs, for they must be kept at a minimum.

A poultry production cost study shows that about two-thirds of the total cost of production, other than labor, goes for feed, according to Ben Wormeli, extension poultry husbandman.

If the feed cost per dozen eggs is 20 cents, then a 10 percent wastage of feed will increase this cost 2 cents per dozen.

There are several accepted rules that broilermen use for controlling feed wastage says Wormeli. But many of the rules for preventing feed wastage in broiler production have the same application in egg production and turkey raising.

First, says the husbandman, handle the feed storage so as to prevent broken sacks control rodents and provide shelter that protects the feed from damage due to excessive moisture.

Avoid spillage when taking feed through the house and pouring it into the troughs. And fill the feeders only to the point that will allow at least two inches between the top of the feed in the trough and the top of the edge of the feeder.

The lip on the top edge of the feeder should be about one inch wide and bent toward the center at an angle of at least 45 degrees. The height of the feed trough should be adjusted so the lip is about shoulder high to the average size birds in the flock. Provide enough feeder space so that at least half of the birds in the flock can eat at one time, continues Wormeli, and distribute the feeders and waterers evenly over the entire house.

Feed wastage can also be controlled by maintaining a high rate of growth or lay for every bird in the flock, says Wormeli. This requires good health for the flock, fresh, highly palatable feed adapted to its particular job and good management.

## New Arrivals

A daughter, Patti Lou Knezek, weighing 6 lb. 8 oz., was born to Mr. and Mrs. John Robert Knezek, 629 Dyer, Rockdale, on November 8th.

Rose Marie was the name chosen for the 8 lb., 12 oz., daughter born to Mr. and Mrs. Walton John Warschak on November 11th.

Mr. and Mrs. Jeronimo Canizales, Route 3, Cameron, are the parents of a son, Tomas, weight 5 lbs. 8 oz., on November 9th.

A daughter named Terry Lynn was born on November 4th to Mr. and Mrs. Vaughn Ellett Owens, 710 Shelton Street, Rockdale. Terry Lynn weighed 7 lbs. 1 oz.

Mr. and Mrs. Albert Joseph Hurtik, 1604 North Hoover, are the parents of a daughter named Cynthia Ann, weight 8 lbs. 13 oz., born November 6th.

A daughter, Cathy Diana, was born on November 8th to Mr. and Mrs. Homer Lee Bell, Route 1, Gause.

Hilda Florence was the name chosen for the daughter born to Mr. and Mrs. Edward Garcia, Route 2, Rockdale, November 7th.

## Brown Patch Hits

Brown patch, a rather common lawn disease in Texas, has been reported active, especially in the warmer sections of the state. Extension Plant Pathologist Harlan Smith says the prolonged period of excessive rainfall and humid weather are prime factors in the appearance of the disease.

From an attendance standpoint the State Fair of Texas is the largest in the U. S.

Wallace Brooks et ux to Walter Dockall, Jr. \$8,250 consideration. Lot No. 7 of Block No. 5 of the Hillyer Heights Addition to the City of Rockdale.

Justus Alford et ux to Pete York et ux \$11,200 consideration. Lot and parcel of land being a part of the James Stephens grant near Hamilton Chapel.

Mrs. N. M. Bullock to Mrs.

Anna Corder \$10 consideration. Lot and parcel of land out of the William Allen Survey, a part of Block 109 situated in the City of Rockdale.

Anna Corder to H. W. Nelson \$10 consideration. Lots and parcels of land out of the Jose Leal Grant.

## Ideal Conditions Await Opening Of Deer Season

AUSTIN—Conditions are ideal for the opening of the Texas deer season Saturday, according to the Chief of Law Enforcement of the Game and Fish Commission. In reports from wardens throughout the state all say the deer are plentiful and fat.

"It has been many years since the range has been in the fine condition reported now," the Chief said.

"There also is a great deal of activity among the deer. The bucks already are beginning to run."

Prospects in the Hill country are especially promising, according to the reports. Grass is high on all the ranches. There also is a good crop of acorns. The same is true of the East Texas and North East Texas area.

In the Trans-Pecos area conditions are better than usual, although rains there didn't come until after cool weather set in, slowing the growth. The Trans-Pecos season on mule deer runs from Nov. 20 through Nov. 27.

In South Texas, where bucks grow big, grass throughout the year has been in fair shape. As a result, wardens in that area report that shooting should be good. They do warn, however, that rattlesnakes are more plentiful than bucks and every care should be used.

In far northeast Texas, Possum Kingdom area and the Panhandle the reports are all the same—good range and the deer are fat.

Of the 150 major U. S. Air Force bases, 27 are located in Texas.

More than 4,706,017 acres of Texas land are under irrigation.

Texas had 11 different capitals before settling on Austin in 1840.

Carol originally meant a song accompanied by dancing.

## Friendships Renewed By Former Resident

Mrs. Mamie M. McElroy of South Gate, California, a former Cameron resident, visited here briefly last week to renew girlhood acquaintances.

Mrs. McElroy is the daughter of the late Mr. and Mrs. Monte J. Moore who will be remembered well by many Milam County residents.

During her visit she was a guest in the home of Mrs. Maude M. Chambers. Mrs. McElroy was accompanied from Houston by Mrs. George T. Moore also a former resident of Cameron.

Texas ranks first among the states with railroad track mileage, some 21,500,000 miles.

## New Assignment For Joseph Mondrik, USN

Joseph L. Mondrik, Hospitalman, USN, son of Mr. and Mrs. Lincoln M. Mondrik of 101 North Bowie, Cameron, graduated from the Chical Laboratory and Blood Bank Technician School at U. S. Naval Hospital, Oakland, Calif., October 25th and was transferred to U. S. Naval Hospital, Camp Pendleton, Calif., for duty.

Mondrik was graduated from Yoc High School and attended North Texas State College in Denton for two years before entering the Navy in August 1955.

Name "Dixie" was given to the South, according to popular belief, by Negroes who were found of a Manhattan slave owner by that name.

## Recipe Of Week

# Thanksgiving Calls For Pumpkin Pie

"The frost is on the pumpkin" and it is indeed, time for pumpkin pie.

For the old-fashioned kind combine 1 cup brown sugar, 3 tablespoons butter or margarine, melted, 2 cups mashed canned or cooked pumpkin. Stir in 1/4 teaspoon ginger, 1/4 teaspoon nutmeg, 1/4 teaspoon allspice, 1/4 teaspoon salt and 1/4 teaspoon cinnamon. Add 3 slightly beaten eggs, 2 cups milk and mix well.

Pour into an unbaked 9-inch pastry shell. Bake in hot gas oven (450 degrees F.) 10 minutes, then reduce temperature to 325 degrees F. and continue baking 35 minutes.

Make a walnut pastry shell to give new flavor to pumpkin pie. Sift into mixing bowl 1 cup prepared flour and 1/4 teaspoon salt. Cut in 1-3 cup finely chopped walnuts. With a fork, two knives or a pastry blender, cut in 1-3 cup shortening until mixture resembles coarse corn meal.

Add 2 to 3 tablespoons water, 1 tablespoon at a time, stirring mixture with a fork until small balls of dough form. Form into a large ball of dough and roll out on lightly floured board or pastry cloth to 1/4-inch thickness.

Fit into 9-inch pie pan, trim and flute edge. Pecan pastry is good too, just substitute pecans for walnuts.

A special topping for pumpkin pie is gilding the lily, but there are some delicious ones to cause comment. Make Orange Cheese Topping by combining 1 three-ounce package cream cheese, 3 tablespoons orange juice and 1/2 teaspoon orange extract. Mix until creamy. Blend in 1/4 cup sifted confectioners' sugar and 2 tablespoons grated orange rind. Beat until light and fluffy. Heap on 9-inch pumpkin pie.

### RECIPE OF THE WEEK

Pumpkin Chiffon Pie: Soften 1 tablespoon unflavored gelatin in 1/2 cup cold water. Combine 1 1/2 cups mashed cooked or canned pumpkin, 1 cup brown sugar, 3 egg yolks, 2 teaspoons cinnamon, 1/2 teaspoon allspice, 1/2 teaspoon ginger and 1/2 teaspoon salt. Cook mixture over low gas fl-

ame until thickened, stirring constantly. Stir in softened gelatin. Cool. Fold in egg whites stiffly beaten with 2 tablespoons sugar. Pour into cold baked 9-inch pastry shell. Chill in gas refrigerator until firm. Top with whipped cream just before serving.

## Sputnik Creates Challenge

The Herald notes with enthusiasm the beginning of a movement to reinforce the curricula and teaching methods in Cameron public schools.

School board members Thursday night thrashed out an embryonic program for accelerated learning throughout the system. In effect, they told school administrators to realign instruction along basic reading, writing and arithmetic principles of old, but with an added twist.

Several members of the board reported that Yoe High School graduates were entering colleges ill prepared for the sharpening academic competition found in higher institutions of learning, big and small.

They cited case examples where honor graduates were finding their secondary backgrounds short of college needs. In short, the academic structure, from grade 1 through 12, invites constructive appraisal.

The twist, which will combine the latest approach to learning with fundamental subject matter, is accelerated programs for fast learners throughout the 12-grade system.

Some steps have been taken to strengthen the academic picture at Yoe High School. This year, requirements for graduation were upped to 18 credits, two above former requirements.

Secondly, the present board has eliminated a grade system whereby students could boost grade points in basic subjects such as English, history, mathematics by earning merit points in athletic contests and other extra-curricular activities.

With these changes, board members say, the atmosphere in Yoe High School has become a bit more academic.

The seven-member group, minus one member Thursday night, spent about an hour airing views that blended accepted emphasis on the three R's and modern acceleration of subject matter for brighter students.

Administration officials noted preliminary studies already in progress for two-unit classes for slower and faster students.

Recent appeals by President Eisenhower for school reappraisals and the Russian satellites have prompted interest in academic rejuvenation throughout the nation.

Without question, the high school student of today faces keen academic competition on every hand. If he continues his education in college, he must know his basic mathematics and sciences even for a liberal arts degree. If he elects to start his career on the farm or in an on-the-job training field, he must have sound basis in English and commercial subjects.

Thus, Cameron, as our school board realize, must reappraise and realign its academic syllabus if the obligation to equip our youngsters for a "Sputnik-lined" world is to be met.

## Your Capitol Report

# Lawmakers Seek New School Measures

By Vern Sanford

**Texas Press Association**  
AUSTIN—Texas' lawmakers are striving hard to forge a new tool for dealing with police powers, insofar as school segregation-integration problems are concerned.

Proposed is a "last-resort" law to be used, presumably, in situations where threat of federally enforced integration is met by strong local opposition. It would allow the school board to shut down the school until "the earliest possible time when peace and order can be maintained without the use or occupation by military forces."

Gov. Price Daniel's call also asked that the law provide (1) that state aid, accreditation, salaries, etc., not be affected by the closing, (2) that school boards may transfer local pupils and (3) that the attorney general be authorized to assist local school districts in contesting integration suits in federal court.

Though Legislative operating funds ran out over the weekend, both House and Senate decided against a "crash" program to enact the bill overnight. Strong opposition was not foreseen, however.

### Fiscal Hangover

Lawmakers who return for the next regular session in January, 1959, face a "morning after" atmosphere with a \$12,000,000 headache.

Last summer State Comptroller Robert S. Calvert predicted the state would end this two-year period with a \$6,000,000 deficit. His latest estimate doubles that figure.

Calvert revised his figures after voters this month approved a constitutional amendment upping state pension payments.

Legislators already are skating on the edge of financial embarrassment in their day-to-day operation. Fund for their salaries, expenses, etc., was down to about \$45,000 when the first session ended. With costs running about \$11,000 a day, they were due to start drawing this week on the governor's deficiency fund, earmarked for "calamities."

But the real calamity, as many legislators see it, comes year after next when they will have to find

a way to glue the "busted" budget together again. Most agree, gloomily, that it means new taxes.

**No "Thrill", But**  
Legislators' comments on the laws passed during the first special session ranged from "monstrosity" to a shoulder-shrugging "better than nothing."

But they did pass — all five that the governor asked.

Spokesman for the governor admitted he wasn't exactly "thrilled" with the watered-down water bill, but that he would accept it. In a public statement Governor Daniel commended the lawmakers for their accomplishments.

Briefly, the new laws do this:

1. Set up a water planning division to do research on Texas water resources and report to each regular session. No authority to draw up a statewide plan was conferred, and the appropriation was cut from a recommended \$1,200,000 to \$900,000. Water Board was given authority to negotiate for state water storage in federal reservoirs—with legislative approval.
2. Require registration of those who seek to influence legislation "by direct communication" and reporting of expenditures over \$50.
3. Require registration of those who, for pay, represent others before state agencies.
4. Set up a commission to study Texas law enforcement and report to the next regular session.
5. Appropriate money for a building for the State Insurance Department.

**What Now?**  
Senate rejection of the appointment of William A. Harrison as insurance commissioner put that department in a quandary.

Without an administrative head, the department cannot conduct even routine business; nor can it pay its employees. Members of the Insurance Board asked Atty. Gen. Will Wilson for guidance.

Under the Constitution the Senate has the authority to pass on all appointments made by the governor to constitutional offices. It does not, however, pass on the appointments of various state boards within their departments.

## THE LITTLE RIVER PHILOSOPHER

Sage Fighting Inflation's Spiral  
From Strategic Post — Easy Chair

By J. A.

Dear editor:

I found two copies of some newspapers out here yesterday afternoon alongside the road by my farm where somebody had dropped them from his car and judging by the ants in them, they'd been used to wrap up a picnic lunch, and I thought you'd like to know that one of them was a copy of The Cameron Herald and the other a copy of The Dallas News, and I examined them both carefully and found exactly fourteen ants in each one, which proves that when it comes to being ant-proof, there's not much difference in newspapers.

But what interested me, after I'd shook the ants out, was an article in the big daily about two

Senators on a special committee in Washington to investigate inflation.

According to one of them, Americans should be allowed to have more spending money, as he claimed the factories in this country aren't producing as much as they could and would if the people had more money to spend. The only thing is, he didn't say where this extra spending money is coming from.

According to the other, that's just the trouble, the people have too much money to spend, which in turn produces inflation. He said if we had more money, we'd be bidding higher for more goods, which would only produce more inflation.

Now I'm not smart enough to settle this argument, but I would like to say that while maybe this latter Senator can convince his wife he has enough money, I'll have to admit I must have a different type wife. When I pointed out to her that the reason I didn't furnish her with more money was because me and this Senator didn't want to be contributing to the inflationary spiral, she just snorted and said the Senator could run the Senate and she'd run her house and it'd run a lot smoother if she had more cash. She also added that she'd have more cash maybe if I worked harder, but anybody can see the more you work the more you make and the more you spend and hence the more you contribute to the high cost of things, and I'd appreciate it if more women around here understood this.

What the women of this country ought to understand is that when a man is dozing in his chair he's not loafing, he's fighting inflation.

Yours faithfully,  
J. A.

Ysleta del Sur, established in 1682 near El Paso, is Texas' oldest permanent settlement.

God must speak to men. Despite the barriers of language and dialect which separate nation from nation, tribe from tribe—God must speak to men!

This conviction has long inspired the American Bible Society in its stupendous task... to translate God's word into every tongue... to place the Bible in every hand.

Now in 1,100 tongues God has spoken to men through inspired Scripture. In marble cathedrals and mud huts the same timeless truths are read, heard, taught and discussed in the words men know. And millions of Bibles, Testaments, and portions of Scripture are being placed in eager hands.

This is our triumph... and our continuing challenge... the countless Christians who, individually and through our churches, make possible the work of the American Bible Society. Thank God! Carry on!

### THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Day	Book	Chapter	Verses
Sunday	Genesis	11	1-9
Monday	Isaiah	45	20-23
Tuesday	Mark	16	14-20
Wednesday	Acts	2	1-11
Thursday	1 Corinthians	12	4-11
Friday	1 Corinthians	14	1-10
Saturday	1 Corinthians	14	20-33

## Holiday Table Decorations Shown In Festive Fantasies Flower Show

New ideas for holiday tables were displayed at the Civic Garden Clubs Festive Fantasies flower show Wednesday.

Colors of brown and yellow dominated the Thanksgiving dinner table for four displayed by Mrs. Frank Schiller, Mrs. Giles McDermott and Mrs. O. G. Tumlinson. Twin cornucopias, laden with fruits, graced each end of the table.

The informal Christmas dinner table for four was done in red and white and featured a large white candle in the composition which centered the table. Mrs. Alvin Dusek, Mrs. Auttiss Franklin, Mrs. John Ryan and Mrs. J. D. Moore decorated this table.

Mrs. Leo Fuchs and Mrs. Dewey McElwrath arranged the New Year's Eve buffet table for 6. A black cover, suggestive of mid-night, was used. The floral decoration was the face of a clock made of white flowers with a red blossom indicating, together with the hands of the clock, the arrival of the New Year. White pottery plates and serving pieces in charcoal colored pottery accented with white completed the exhibit.

A crystal epergne, featuring Elsie Polsen roses and a large red heart centered the Valentine Tea table by Mrs. R. G. Grabein, Mrs. Douglas Jones, Mrs. Roy Wright and Mrs. W. M. Fanning. A cut-work cloth was used for the table cover and other appointments were in silver.

### Mrs. Julia Brown Hosts Circle Group

Mrs. Julia Brown was hostess to the Supreme Forest Woodmen Circle Cameron Grove 996 Tuesday evening at her home.

Mrs. Marie Ann Laake presided over the short business meeting.

Mrs. Geneva Myrow, District Manager was a special guest. She reported that she would attend the Supreme Forest Woodmen Circle National Convention in Washington D. C. in December.

Following the meeting the hostess served Apple Strudel, Koles and coffee. She was assisted by Mrs. Laake.

The next meeting will be held at the home of Mrs. Ellen Hause on December 10th.

Texas ranks fifth in the nation in number of air passengers carried each year.

### Mrs. Neil Copeland, A. G. Sweet Are Wed

Mrs. Neil Copeland and A. G. Sweet were married Saturday evening at the Ben Arnold Baptist Church in the presence of a small assemblage of friends.

The Rev. P. L. Caperton officiated at the ceremony and Mrs. Kathleen Swanzy was organist.

Mrs. Rochez, cousin of the bride, and Leland Burnett, brother-in-law of the groom, were the honor attendants.

#### INTRODUCING

A son, Paul Ray II, weighing 8 lbs., was born on November 17th to Mr. and Mrs. Paul Ray Laake, Kemah, Texas. Grandparents are Mr. and Mrs. Paul Laake, Cameron, and Mr. and Mrs. Hal Halvorson, Milwaukee, Wisconsin.

One out of every 10 tornadoes in the U. S. hits Texas.

MRS. WILLIAM HOWARD SCOTT

## Miss Chandler Wed To William H. Scott

Miss Gwen Chandler and William Howard Scott exchanged nuptial vows Sunday at 5:30 p.m. at the Grace Presbyterian Church in Temple before an altar decorated with brass altar vases filled with champagne fuji mums. The mums were flanked with brass candelabra holding handdrilled champagne cathedral tapers.

Parents of the couple are Mrs. Bertram D. Clark of Cameron and the late John E. Chandler, and Mrs. Olive Scott of Temple and the late Robert Scott.

The Rev. Garland Shell of Stephenville officiated. Mrs. C. M. Porter at the organ and Mrs. Buddy Honeycutt, soloist, furnished the wedding music.

The bridal aisle was marked with lighted tapers and flanked with comador trees tipped with gold.

Given in marriage by her uncle, M. M. Bradham of Brady, the bride wore a princess Chantilly lace champagne gown designed with long stem bodice and scalloped neckline embroidered with seed pearls. The brief sleeves were complemented with matching mitts. The bouffant skirt was scalloped at the waist length hemline.

The bride wore an imported matching illusion veil held by a scalloped lace crown. She carried a bouquet of Australian Cymbidiums with mocha tip trim.

Mrs. Kenneth B. Elliott, sister of the bride, and Dr. Robert E. Scott of Mexico City, brother of the bridegroom, attended the couple.

Mrs. Elliott wore a dress of beige lace with matching headband and carried a crescent bouquet of champagne spider mums with satin rose cocoa pendants.

Ushers were Charles Gover of Troy, Jim Cooke of Temple, Jim Phelan of Waco and Gene Kendrot of Killeen.

Mrs. Clark chose for her daughters wedding a blue silk taffeta dress designed with a lace yoke trimmed in sequins with a matching jacket. Her corsage was of feathered mums and angel leaves.

The bridegroom's mother wore a Tempe Arnel faille sheath with a corsage of dusty rose cocoa mums.

A reception was held in the church parlors following the ceremony.

The bride's table, laid with champagne fuji and gold tipped foliage and flanked with brass candelabra with champagne candles.

The brass punch service and the wedding cake topped with cymbidiums were placed at opposite ends of the table.

Miss Ann Elliott, niece of the bride, and Miss Vada Sutton of Belton, were in charge of the brides book.

Mrs. J. J. Phelan of Waco and Mrs. J. D. Raley alternated at the punch bowl. Mrs. Bobby Pechal and Mrs. Ray Martin served the cake.

Others included in the house party were Mrs. Jack Childress and Mrs. Ned Patterson.

For a wedding trip to Big Bend National Park the bride wore a beige suit with matching hat, pink gloves and blouse, and black accessories. Her corsage was the cymbidium orchids from her bouquet.

The couple will be at home at 909 Erath Drive in Temple.

Mrs. Elliott will observe their fiftieth wedding anniversary November 28th.

The Allisons will entertain with an open house for their relatives and friends from 2 to 5 p.m. at their home.

## Awards Earned At Local Flower Show

Mrs. Dewey McElwrath won the highest award, the coveted Tricolor, red, blue, and yellow ribbons, with her Valentine arrangement, in the Kitchen Table Class, when the Civic Garden Club staged the Flower Show, "Festive Fantasies," Wednesday.

For her outstanding arrangement she designed a heart from two cactus leaves, outlined the outer edges with red cranberries and completed her design with succulents, hen and chickens, and magnolia leaves. She repeated her heart design with cranberries in her focal point. The arrangement was made in a black phonograph record which had been shaped into a container.

#### Award of Distinction

The Award of Distinction, a brown ribbon, also in the Artistic Division, went to Mrs. R. G. Grabein for her composition of all dried material.

In the Horticultural Division, Mrs. W. M. Fanning won the two highest awards. Her potted plant, Crown of Thorns, won the Award of Merit, an orange ribbon. In the Specimen Section, her exhibit of Dutchman's Pipe (Aristolochia Siphe), also won the Award of Merit.

The Sweepstakes Award, a green and white rosette ribbon, went to Mrs. R. G. Grabein, for winning the most blue and red ribbons in both the Artistic and Horticultural Divisions.

The theme of the show "Festive Fantasies" was depicted by entries in the Artistic Division which were especially designed for Thanksgiving, Christmas, New Year, and Valentine. Of unusual interest were the four holiday tables displayed by club members.

#### Artistic Division

In the Artistic Division, Mrs. R. G. Grabein, Mrs. Auttiss Franklin and Mrs. Leo Fuchs each won 2 blue ribbons. Mrs. Roy Wright, Mrs. Dewey McElwrath, Mrs. L. R. Wallace and Mrs. Douglas Jones each won one blue ribbon. Mrs. Cato Sheerer earned 2 red ribbons. Red ribbon winners, one each were, Mrs. J. D. Moore, Mrs. John Ryan, Mrs. Giles McDermott, Mrs. W. M. Fanning, Mrs. Alvin Dusek, Mrs. Frank Schiller, Mrs. Douglas Jones and Mrs. W. R. Newton. Sr. and Mrs. W. M. Fanning each won 2 yellow ribbons and one each went to Mrs. L. R. Wallace, Mrs. Alvin Dusek, Mrs. Douglas Jones, Mrs. Leo Fuchs, Mrs. Giles McDermott and Mrs. J. D. Moore.

Honorable Mention, 3 ribbons to Mrs. W. R. Newton, Sr., and one each to Mrs. O. G. Tumlinson, Mrs. Frank Schiller, Mrs. Alvin Dusek, Mrs. J. D. Moore, Mrs. John Ryan, Mrs. L. R. Wallace, Mrs. Leo Fuchs and Mrs. Cato Sheerer.

#### Horticulture Division

In the Horticulture Division, in both the potted plant and specimen section, Mrs. W. M. Fanning won 5 blue ribbons, 4 red; Mrs. Leo Fuchs, 5 blue; Mrs. R. G. Grabein, 5 blue, 2 red; Mrs. Alvin Dusek, 7 blue; Mrs. J. D. Moore, 5 blue; Mrs. Douglas Jones, 2 blue, 3 red, 1 white; Mrs. John Ryan, 5 blue, 1 red, 1 yellow; Mrs. Giles McDermott, 2 blue, 1 red; Mrs. B. L. Franke, 1 blue; Mrs. Cato Sheerer, 1 blue, 4 red; Mrs. W. R. Newton, Sr., 1 blue, 4 red, 3 yellow; Mrs. Roy Wright, 2 blue, 2 red; Mrs. Frank Schiller, 1 blue, 3 red, 1 yellow; Mrs. L. R. Wallace, 3 blue, 1 red; Mrs. Dewey McElwrath, 1 blue, Mrs. O. G. Tumlinson, 2 red, 1 yellow; Mrs. H. C. Tindall, 1 blue, 2 red, 1 yellow; Mrs. Thomas Raymond, 1 red, 1 yellow.

outstanding shows ever staged by the Civic Garden Club. Approximately 200 persons visited the show.

Mrs. Leo L. Fuchs was general chairman for the show and co-chairmen were Mrs. Frank Schiller

who had charge of the Artistic Division and Mrs. Roy Wright who headed the Horticultural Division. Mrs. R. G. Grabein is president of the Civic Garden Club.

## TELEPHONE TALK

### DOLLAR DAY

No doubt all of you have read about "Dollar Day" specials from time to time. Well every day is "Dollar Day" at the telephone office. Additional residence telephones cost only \$1.00 a month plus tax and a small one-time installation charge. Additional telephones solve "one-phone" problems, are perfect for bedroom, kitchen, den, any room in the house. Arrange today for modern telephone conveniences in your home.

### A THOUGHT FOR THANKSGIVING

Remember that old, Thanksgiving song, "over the river and through the woods, to Grandmother's house we go?"

A short, sleigh-ride was all it took to get to Grandmother's in those days. Today, it seems as if everyone lives so far away - even when we travel by car.

This Thanksgiving, why not go "over the river and through the woods" the modern way - by telephone. True, we won't be there to enjoy that wonderful food - the golden-brown, stuffed turkey, the cranberry sauce, the homemade bread and rolls - but we can gladden the hearts of those dear to us with a phone call.

Long Distance is a wonderful, personal way to visit during the holidays. Low Station-to-Station rates make Long Distance economical, too. And remember, call by number - it's twice as fast.

### COLOR FOR CHRISTMAS

Christmas may be a month or so away, but the way time flies it's not too early to begin making out your gift list.

To match this colorful season of the year, telephones in color are an ideal gift - particularly for relatives or close friends who have only one telephone in their home.

A handy additional phone in color will be a gift they'll remember all-year long as it makes their telephone service more convenient, more useful - and more colorful.

Why not call the telephone company today to learn how easy it is to give a telephone in color.

Call by number. It's twice as fast.

## Ben Arnold Community Club Gives Do-Si-Do Party Saturday

By Mrs. A. T. Swanzy  
 A do-si-do was held at the school house on Saturday evening. It was sponsored by the Community Club and hostesses were Mrs. Wayne Weiser, Mrs. Leonard Pelzel and Mrs. Bill Collins.

Mrs. Lilly Strickler spent Saturday afternoon with Mrs. M. D. Swanzy.

Mrs. Sonny Swanzy and children and Wayland Dornier visited in the home of Mr. and Mrs. Dave Whitely Sunday afternoon.

The young people of the Baptist Church enjoyed a fellowship party after church services Sunday evening.

Mr. and Mrs. M. D. Swanzy and Billie and Mr. and Mrs. Robert Lee Schultze and Brenda of Temple were guests of Mr. and Mrs. J. T. Swanzy Sunday. Other guests were Mrs. Bertha Massey of Rosebud and Mr. and Mrs. Sonny Dornier and family.

Mr. and Mrs. Alec Henderson were guests of Mr. and Mrs. Tom Little of Cameron Sunday.

## Church Services For Mrs. M. J. Shepherd

The Rev. Aubrey Russell conducted services for Mrs. Mattie J. Shepherd Wednesday at 2:30 p.m.

Services were held in the First Baptist Church. Interment was in Oak Hill cemetery. Arrangements under the direction of Marek Burns.

Mrs. Shepherd died in a Cameron hospital Tuesday morning. She was 86 years old.

She was born in Grimes County, but had lived in Cameron for the past 40 years making her home with Mrs. Lottie Bigbee. Mrs. Shepherd was a member of the Eastern Star.

FFA SWEETHEART. Miss Verlene Cochran a freshman at Yoe High School was elected sweetheart by the local FFA chapter members. Miss Cochran will represent the Cameron chapter at the district Sweetheart Banquet to be held in the spring.

## Mildred Thornton Reviews Book Before Pleasure-Profit Club

The Pleasure and Profit Club met in the home of Miss Lois Randolph Thursday afternoon.

Miss Mildred Thornton presented a book review, "My Heart Lies South," by Miss Elizabeth Borton deTrevis.

During the business meeting the club voted to give money to the Library for Christmas. They also discussed the Christmas party which will be held in the home of Mrs. E. O. Schiller on December 12th.

Refreshments of Date Loaf cake and coffee were served to members and five guests. Mrs. Aubrey Hightower, Mrs. Wallace Culpepper, Miss Mary Randolph, Mrs. Franklin Dusek and Miss Thornton.

One third of the U. S. oil production since 1859 has been in Texas.

Texas' natural gas provides fuel for 35 states and two foreign countries.

## Informal Supper Fetes Bill Blacks

The home of Mr. and Mrs. Bill J. Eanes was the scene of a farewell party honoring Mr. and Mrs. Bill Black Saturday evening.

An arrangement of pink carnations centered the dining room table.

Following a covered dish supper games of bridge and 84 were played.

The ten couples at the party presented a gift to the honorees.

The Blacks will move to Dallas where Mr. Black is employed by Commerce Clearing House, Inc.

## Playhouse Casts Elizabeth Newton

Miss Elizabeth Newton is in the cast for "The Flies", current production at the Stephens College Playhouse in Columbia, Missouri. She plays the part of a young woman of Argos.

The Playhouse is a unique set-up where professional male actors who are members of the theater arts faculty act opposite students in eight plays a year. Each play runs Wednesday through Saturday for three weeks and feminine roles are double or triple cast to give more students acting experience.

A senior at Stephens, Miss Newton is the daughter of Dr. and Mrs. W. R. Newton, Jr.

## B&PW Club Sees Film On Hawaii

The Business and Professional Womens Club met at the home of Florence Markham Monday evening.

Mrs. Harold Jones led the program "International Relations" and presented a colorful film on Hawaii named "Treasure Islands."

Mrs. Ida Belle Lewis presided over a short business meeting and new members were introduced. Mrs. Jan Speer, Mrs. Patsy Matula, and Mrs. Forrest Sapp.

Lillie McWilliams and Winnie Green assisted the hostess when she served sandwiches, strawberry cream pie and coffee.

The next regular meeting will be held at the Chamber of Commerce office on December 2nd.

## Delphian Club Hears Rev. Walter Grimes

Delphian Club members heard a Thanksgiving program Tuesday when they met in the home of Miss Mary Randolph.

Mrs. Alvin Dusek presented the talk "Counting Your Blessings." Rev. Walter Grimes, the club's guest speaker, discussed the meaning of Thanksgiving. Rev. Grimes is pastor of the First Christian Church. He was introduced by Mrs. J. D. Epleen.

Refreshments of tea sandwiches, date loaf cake, nuts and coffee were served from a table covered in a green linen cloth and centered with an arrangement of fruit.

## Emory C. Camp Joins TU Band

Emory C. Camp, son of Mr. and Mrs. Emory B. Camp of Cameron is shown in his uniform for the Longhorn Band at the University of Texas.

A freshman student at the University, he is a pledge of Phi Kappa Psi fraternity and has earned a regular place in the Longhorn Band, nationally known as the "Show Band of the Southwest."

While at Yoe High School he was a member of the Yoe Hi Band, the debating team, winning two district championships, and the golf team. He also won district in Extemporaneous Speaking.

Emory C. is the third generation of Camps to attend the University of Texas to study law.

## Hoyle HD Club Plans Annual Holiday Party

The Hoyle Home Demonstration Club met Tuesday at the home of Mrs. I. N. West with Mrs. Frank Richter as co-hostess.

Following a brief business meeting, plans were completed for the club's annual Christmas party.

The hostesses served cake, coffee and hot chocolate during the social hour.

## KofP Lodge Hears Horstmann Monday

The Knights of Pythias, Milam Lodge No. 125, heard Hugo Horstmann, superintendent of the Pythian Home, Weatherford, Monday night at the Cameron Lodge Hall.

A fried chicken supper was served by member's wives to 100 members and guests before the meeting.

Horstmann showed slides of the home which houses 76 children and several elderly people. He also explained the operation of the home and gave some information about the children there.

The Pythian Home is operated on income received from the Knights of Pythias Christmas Cheer Fund.

## Awards Are Presented At Milam County 4-H Achievement Program

Alice G. Hughes  
Home Demonstration Agent

Approximately 165 4-H members, parents and friends attended the Milam County 4-H Awards program held in the Simon George Memorial Hall in Cameron, Saturday night.

Entertainment for the evening was furnished by 4-H talent in the form of a television show with Benard Jungmann as Master of Ceremonies.

Rita Stewart from Milano, sang "Rock and Roll Waltz" accompanied by Mary Ellen Richter. Humor prank "I lost my Case" was by Herman Mueck, Jr. Members of the Buckholts Band, Jeannette Fuchs, Carroll Wayne Glaser, and Carrol Gene Fuchs, played a horn trio, accompanied by Mr. Max McClaren, Buckholts Band Director. Jeannette Richter acted as station manager.

A bop number was done by Henrietta Richter, and Adrian Richter, accompanied by Billy Geiner, pantomining Elvis Presley. Mary Ellen Richter, as a salesman for Eat-All-Acid pot and pan cleaner, furnished the commercials. A group song, "Club Work" was led by Mary Ellen Richter.

A bit of humor was added by jokes by Adrian Richter and Billy Geiner, as the Sasprillo Brothers.

4-H Awards were presented to 15 girls and 17 boys as follows: Achievement Awards were presented to Jeannette Richter, Jeannette Fuchs, Herman Mueck, Theodore Fuchs. This group are members of the State winning Poultry Judging Team. The Award was presented by Alton Fuchs, who has assisted in training the team.

Awards in Boys Agriculture were presented to Buddy Inge, Rex McClaren, Gus Schramm, Jr., and James Edward Glaser. Mr. Ollie Gray Chamberlain presented the awards to the group in behalf of Burkes Howard Company in recognition of all around agricultural achievement.

Dairy awards were presented to Henrietta Richter, Lamar Gresak, and David McClaren for their work in 1957 Dairy calf production. These awards were presented by Judge Charles C. Smith, Jr.

Judge Smith also presented the

following awards: Dress Revue to the top 10 per cent of the Dress Revue participants: Mary Ellen Richter, LaVelle Fischer, Carolyn Von Gonten, Judith Ann Mueck, LaNell Moraw, and Maurice McAnulty. Field Crops: Hal Lester Senkel, Louis Rozner, Lenwood Rubac, and Leo Rozner. Food Preparation: Genevieve Kostroun, and Stella Inge. Foley Equipment for participation in a food preparation contest: Mary Ellen Richter and Genevieve Kostroun. Leadership: Benard Jungmann and Louise Mitcham. Meat Animal: Pat McClaren and James Cargill.

Mr. C. L. Yount of Thorndale presented the following Poultry Awards. Shirley Schramm, Bobby Rosenthal, Nolan Keen, and Charles Yount.

Games were led by 4H Club members, and refreshments of cold drinks and cookies were served.

**CARD OF THANKS**  
 We wish to express our sincere appreciation for the many kind expressions of sympathy extended us during our recent loss.

Especially do we want to thank Rev. George Duda, Rev. Alfred Kallus and the Sisters, the doctors and nurses and those who sent flowers, food, cards and messages of condolence. We will always be grateful.

The Family of  
Joe Zalesky

**CARD OF THANKS**  
 I wish to thank everyone for their prayers and many kindnesses during my illness. Especially do I thank the doctors and nursing staff at the hospital.

May God bless you all  
J. C. Mayfield

## Cold Weather Coming!

come in now for your  
**TEXACO**  
 FALL CHECK-UP!

Don't let fall weather catch you unprepared. Here's what we do to make your cold weather driving safer, surer, more enjoyable:

**COOLING SYSTEM:** Drain radiator and fill with Texaco PT Anti-Freeze. One fill lasts all winter. Check hose, tighten hose clamps, check water pump, etc.

**ENGINE PROTECTION:** We drain the crankcase and refill it with Texaco Havoline Special 10W-30, the all-season, all-temperature motor oil. Protects against wear, adds life to engine. Quicker starts, added power, better gasoline mileage.

**THE TRANSMISSION:** We bring your automatic transmission fluid to proper level, or replace old fluid with Texaco Texamatic. Expert service on conventional transmissions, too.

**THE CHASSIS:** We lubricate the chassis according to a special chart covering your make and model—with superior Texaco Marfak. You enjoy quieter, easier driving, and that cushiony feeling for 1000 miles or more.

We also carefully check potential trouble spots—lights, tires, battery, muffler, tail pipe, gas tank, etc. Be ready for cold weather—get your Texaco fall check-up now!

As members of the 48-state Texaco Dealer family, we're trained to service your car with an eye to your safety.

TOO LITTLE, TOO LATE is the way we Dodge dealers feel about competitors' efforts to match the Swept-Wing 58. They lowered the roof some, but left the sides high. Their windshields got smaller while ours got bigger. So much for styling. Then, for another important comparison, take ride. Here's Dodge with Torsion-Aire suspension that just about everybody admits is the greatest advance in sway-free, dip-free, silent going that any car offers. So what do these other cars do? They borrow an air suspension system that's been used in buses for two years! (Costing well over \$100.00 extra.) And most of 'em still don't have push-button driving—much less Dodge TorqueFlite—the proven automatic transmission. If you're a little disappointed in the '58 version of your car, come on in and see our Swept-Wing 58. The others are catching on—but they can't catch up.

See Swept Wing 58 by Dodge At Schiller Motors 7th at Travis Sts. Cameron, Texas

## Outdoors In Texas

# Hunt-Fish Statistics Show Huge Popularity Of Field, Stream Sports

By Hugh Williamson  
Survey takers, out gathering figures on hunting and fishing, have come up with some rather amazing statistics.

For example: More people hunt and fish than take part in all spectator sports combined. And anglers and hunters outnumber golfers nine to one.

Texans spend twice as much money to hunt and fish than they do for admission to all football, baseball, and basketball games, plus all movies and all other theatrical attraction combined.

The hunting and fishing bill of Texans is greater than that spent

on medical care, dental work, and hospitalization insurance.

And the money spent for outdoor pursuits is rapidly increasing. That's because the population is growing and folks nowadays have more leisure time.

These are cold facts, based on accurate, scientific surveys, conducted for the Texas Game and Fish Commission.

### Plenty for All

Fortunately there is going to be a bountiful supply of fish and game for all these anglers and shooters. Building of many new lakes, stocking them, and good rains this year will mean many fish.

Deer and turkey, along with antelope, once faced extinction in Texas. Game management programs and favorable conditions afield have brought back the deer and the turkey populations and put them in proper balance.

Viewers of the situation are pleased. But they see a need for more and better facilities and accommodations for the hunter and the fisherman.

### Trend in Motors

Another indication of change, is the trend toward bigger outdoor motors. A decade ago most of these were five horsepower and under. But this year, a major manufacturer predicts that 48 per cent of the motors will be in the 30-horsepower class or larger.

This big stuff is for the speed boat people and those who tow the water skiers. It's not so much for fishermen. A Mercury 6 is plenty of motor for me.

You can stir around and get up an argument between the speed boat boys and the fishermen. But I don't think it's necessary. There's plenty of water for all.

Mostly the conflict comes about when the lakes are crowded on weekends and holidays. At those times I fish where the big boat boys don't go. Below a certain dam, for instance, it's too shallow for the heavier craft. I chug along up there, dodging rocks and stumps as I go, anchor just below the dam, and catch fish.

### Belligerent Blacks

The best black bass fishing I know is in one or two South Texas lakes. I was down there the other day when the blacks were hitting surface lures like mad.

In this particular lake there's a wooded area, with plenty of weeds and brush. The bass abound there. They are infuriated by the noise of a topwater lure.

I had spectacular success with one lure that had a spinner aft. The sound it made was like a school of minnows in flight.

One thing we noticed was that a hooked fish was nearly always followed to the boat by one or two of his fellows. When I hooked one, my partner cast to the same

CAMERON, TEXAS' HERALD, NOVEMBER 21, 1957

# Henry Jones Family Visits Before Reporting For Ft. Dix Assignment

By Mrs. John Meyer

Mr. and Mrs. Henry Jones have as guests their son and daughter-in-law, SP-3 and Mrs. Daniel Lee Jones while they are on 30 day leave before he reports to Fort Dix, New Jersey, on December 8th when he sails for Germany and a tour of duty with the US Army.

Also they are visiting her parents, Mr. and Mrs. H. M. Hollaway in Houston, where Mrs. Jones will remain until later when she plans to join her husband in Germany.

Mr. and Mrs. Jones and their guests visited Mr. and Mrs. Edwin Zawadzke at their home in Cameron Saturday evening.

Mr. and Mrs. M. W. Peeler are

spot to try for the other fish. I did the same when he had a fish on. Sometimes this strategy paid off.

It was a great day and a great place for bass fishing. The weather was cool enough, except just in the middle of the day. We drifted around among the old mossy trees, casting into the shade where bass were hiding. Very often, after a twitch of the lure, a bass hit. Before the end of the day, we had our limit of blacks.

That kind of fishing is rare, but there will be more of it during the coming months, as this year's fine crop of young bass reaches maturity.

If you hanker for bass, plan to be in your best fishing spot during February and March.

### Whoopers Moving

The big whooping cranes are in process of moving from their breeding grounds in Canada to their winter home. Eight adult and two young birds have been sighted on the wing.

Whoopers move along by easy stages. Usually they begin arriving at their Texas refuge about the middle of October or later. Lag-gards will trail along at intervals.

There are only about 30 whooping cranes alive now. In flight, they appear as huge, white birds, with jet-black wing tips, red-crowned heads and long legs trailing. Please don't shoot them!

visiting in Austin as guests of their son-in-law and daughter, Mr. and Mrs. Ed Shuberg.

Mrs. John Zajicek and son, John Roy, are spending the weekend in Houston where they are guests of her sisters family, Mr. and Mrs. Bob Marek and sons, and brother's family, Mr. and Mrs. Gordon Spaulding. They were accompanied by Mrs. Tal Woodward who is visiting her son and family, Mr. and Mrs. Udell Woodward and son, Dale.

Mr. and Mrs. B. M. McMillion's guest is her sister-in-law, Mrs. Kelly Robinson, of Oklahoma City, Oklahoma, who is also visiting Mrs. Etoile Wittenburg of Rogers.

Mrs. H. E. Garlish are visiting in Brenham as guests of their daughter and family, Mr. and Mrs. O. W. Benold and son, Michael.

Mrs. Minnie Fisher is reported to be improving under treatment in a Cameron hospital where she is a patient. Her sister, Mrs. J. E. Todd returned to her home in Garland Friday after spending the past week at her bedside.

Joe Dean Zajicek, student at SWSTC is here for the weekend visit with his parents, Mr. and Mrs. Joe Zajicek. He was accompanied by his mother and brother, Jackie, for a visit to Ben Arnold Sunday where they were guests of Mrs. Zajicek's parents, Mr. and Mrs. Emil Roesler.

Mr. Zajicek and their son, Walter, spent Sunday afternoon at Belton where Walter is receiving instructions in flying his father's private plane.

Mr. and Mrs. Nealon Peeler were business visitors in Temple Wednesday.

Mrs. Leroy Barkemeyer is improving under medical treatment at Cameron following recent dental surgery.

Some \$500,000 worth of chrysanthemums are sold annually in the U. S.

## Buckholts Will Play Hutto In Bi-District

Buckholts Badger footballers will square off against Hutto 8 p.m. today at Taylor for a bi-district playoff, school officials announced this week.

The Badgers won the 21-B district title by defeating Oglesby two weeks ago. They have defeated Hutto in regular season play.

Buckholts school officials urged that all Buckholts students, parents and Badger rooters follow the

team to Taylor for the clash to-night.

Buckholts won the 21-B title for the third straight year this fall. Two of their conference wins followed cancellations due to flu.

Aluminum is the most abundant of metallic elements.

when you bake it  
**Electrically!**

Meat that is roasted electrically stays juicy, more tasty . . . and requires no basting. Magic? No . . . just the fully insulated electric oven that holds all the moist heat . . . bathes your turkey (or roast) in luscious flavor. Shrinkage is held to a minimum . . . and the automatic features of the electric range leave you free to complete other bits of that dinner . . . the little extras that make it a real feast! So hurry . . . see your appliance dealer today . . . and have a better holiday . . . one to be thankful for.

**Texas Power & Light Company**

IN 58 DAYS A '58 PLYMOUTH RAN 58,000 MILES—EQUAL TO

**MORE THAN TWICE  
AROUND THE WORLD**

AND IT DROVE EVERY INCH OF THE WAY!

We knew this car was tough.

We designed it that way.

That's why we weren't afraid to give Plymouth the toughest test run of all time . . . with all America as the "track."

We didn't coddle this Plymouth. Didn't crate it and ship it carefully from place to place. Instead, we aimed it out of Los Angeles one misty morning and sent it through a course that ran 58,000 miles through 37 states.

The time limit? Only 58 days.

A thousand miles a day!

The equivalent of 6 years' driving crammed into little more than 8 weeks!

Three times this Plymouth crossed the Rockies. Three times it wound its way up and down across the country . . . passing through more than 1200 cities and towns. Whipping over turnpikes . . . creeping through city traffic . . . arrowing down super-highways . . . feeling its way through 500 miles of rutted detours. And when the drivers turned the key to end the marathon, it still looked, ran and rode like new.

This is what lasting value really means. The ability to take everything that American roads and weather can dish out—and come up grinning. Why don't you give Plymouth a test drive yourself—today? You'll see what we mean.

That's the Plymouth "track" . . . and just look at that route! Every possible road and weather condition. Plymouth ran every inch of that murderous route 3 times in just 58 days. What greater proof of lasting, built-in stamina!

Star of the Forward Look . . . **Plymouth** ahead for keeps!

Local FHA Chapter Represented  
At District Meeting In Athens

By Mrs. Florence Spiegel

Mrs. Patsy Edmonds, instructor and sponsor of the Sharp FHA Chapter, and FHA members, Beverly Lamb, Linda Coffman and Nedra Charles went to Athens Saturday to attend a district FHA meeting. Beverly Lamb represented this chapter as voting delegate.

Mr. and Mrs. B. A. Miller and sons, Stanley and Johnny, of Lexington and Mr. and Mrs. Arthur Inge and children, Stella, Peggy, Arthur, Jr., and Patsy, have been guests of their parents and grandparents, Mr. and Mrs. George L. Schroeder.

Mrs. Bob Davis is spending a week in Houston with her son and family, Mr. and Mrs. Don Davis and sons, Bob and Wayne.

Mr. and Mrs. John Sippel have had as guests, Mr. and Mrs. Reed Minor of Waco and Mr. and Mrs. Otis Diebel of Elgin.

Mrs. Lucy Caffey of Rockdale and daughter, Mrs. Ernest Brown of Houston, spent Friday with her son and family, Mr. and Mrs. Ralph Caffey and sons, Nicky and Billy Earl.

Mrs. E. L. Modessette and Mrs. Willie Schwarz attended the flower show in the basement of the Christian Church in Cameron Wednesday afternoon.

Mr. and Mrs. Bert Holcomb and children, Bert, Jr. and Carolyn, were here from Dallas for a weekend visit with Mrs. Holcomb's parents, Mr. and Mrs. Hicks Garner.

Mrs. Nelson Davis was a guest of Mrs. H. C. Nelson to Bartlett at the Bartlett Garden Club flower show at the armory in Bartlett Thursday afternoon.

Mrs. Mary Alice Reed of Temple was a weekend guest of her daughter and family, Mr. and Mrs. Nelson Davis and sons, Dan and Reed.

Mr. and Mrs. Rufus J. Graves and children, Penny, Randy, and Stanley, went to Houston late Friday afternoon to spend the weekend with Mrs. Graves' sister and

Local FFA Boys  
Earn Bronze Pins

Bronze pins were presented to 15 boys during the Green Hand initiation at the regular FFA meeting last week.

Receiving pins were: Joe Alfaro, Robert Eisfeldt, Leslie Ernst, Frankie Hromcik, Clarence Jistel, Phillip Kostrum, Ponnell Lopez, Jimmy McClaren, Billy Parcus, Douglas Parker, Henry Tomasek, Iven Vogelsang, Elzie Warnick, Eugene White and Robert Lee White.

Earning pins, but not present for the initiation were James cus and Billy Gergeross.

Barts, Johnnie Lanicek, Willie Par. In other business a trip to the San Antonio Fair was discussed.

CARD OF THANKS

We wish to express our sincere appreciation to our many friends, neighbors, and relatives for the kindness and sympathy extended to us in our recent sorrow, when we lost our beloved wife and mother.

To the many who sent cards, flowers and food and to those who assisted in any way to lighten our burden of sorrow, we are especially grateful.

The Family of Mrs. Will Orsag

INTRODUCING

Lucinda Caldwell, born November 12th in a San Diego, California Naval hospital to Mr. and Mrs. H. D. Caldwell.

Grandparents are Mr. and Mrs. B. C. Caldwell of Cameron and Mr. and Mrs. Pat O'Connell of San Diego, California.

H. D. Caldwell is in Fairbanks, Alaska, where he is stationed with the Navy.

Airman Will Ride  
In NorthAfricaRodeo

A-3C Carrol Woods, son of Rip Woods, Rt. 3, Cameron, is leading a "double life" these days.

While working at his U. S. Air Force career job at Wheelus Air Base, Tripoli, he is also getting ready to bring a bit of the traditional West to Libyans in one of the most spectacular community relations events ever to take place in North Africa.

Laying aside the Air Force Blue for two days, Airman Woods will don Western boots and levis to take part in the "Big Texas Day" rodeo being held November 30 and December 1 in Tripoli. The event is expected to bring together more than 30,000 Libyans and Americans as spectators.

The rodeo is designed to bring to this North African coastal country an authentic picture of the romance of U. S. western living. What the airman's Libyan neighbors have seen only in movies will be displayed in vivid color and all the excitement that goes with western rodeo.

The event is being sponsored by the 17th Air Force, Wheelus Air Base and the Libyan Government. More than 100 American airmen will perform everything from bronc busting and wild cow milking to an attack by real-live American Indians.

Libyan sheiks will also be on hand to demonstrate some of their world-renowned feats of riding. Profits from the rodeo will be donated to Libyan charities.

Poultry Feed Costs High

A poultry production cost study will show that about two-thirds of the total cost of production, other than labor, goes for feed. Ben Wormeli, extension poultry husbandman, points out that if the feed cost per dozen eggs is 20 cents, then a 10 percent wastage of feed will increase this cost by 2 cents per dozen.

# Yoemen Crush Waco Trojans 26-0

## Cameron Grinds Out 373 Yards, Holds U Hi Offense To 146

Cameron clicked in all four quarters Friday night to maul Waco University High, 26-0, in a decisive display of power football at Waco's Municipal Stadium.

In a brilliant recoup from two previous 9-AAA losses, the Yoemen crumpled the Trojan defense for 373 yards while holding U Hi backs to 146 yards by air and ground.

Nimble Bobby Elliott keyed a Yoemen offense that sprang HB's Hubert Marek and Warren Rinn loose for three TD sprints in the second half. Marek dashed 76 yards in the third quarter and Rinn zipped 51 and 12 yards around left end for two fourth-quarter scores.

**Elliott Gains 103**  
Elliott himself garnered 103 yards in his best display of open-field running. He reeled off sprints of 43 and 25 yards in the first stanza, the second dash keying Cameron's 67-yard first-quarter TD march.

But it was the bone-cracking line play that held a small crowd of spectators in awe. FB Guy Dillon led a rock-lined Yoe defense that shook up Trojan backs all evening.

Tempests flared in the grid-iron tempest as five players were sent to the bench.

Cameron held the Trojans to 8 yards rushing in the first half and gave up only 70 yards to the entire night to U Hi backs. FB Carl Gatlin fought his way for 64 of the ground yardage.

The Trojans lost their break-away runner, Arthur Fuentes, who left the game in the first quarter.

**Line Play Strong**  
Not since the Alvin game had the Yoemen shown such decisive line play. Downfield blocking and tackling were vicious as well as precise.

Defensive standouts were upback Dillon, End Ray Green, Tackle Gene Hillman, Lee Hollas, Ray Tepera and Arthur Marak.

Dillon gained 46 yards but smashed Trojan backs from one side of the line to the other at his line-backer position.

Following the opening kickoff, Elliott gave notice of a big evening when he stepped through left tackle, cut back and raced 43 yards to the U Hi 24 before being pushed out of bounds.

Rinn tried left tackle for 1. Marek was held as was Elliott the next two tries. U. Hi took the ball on downs.

Three rushed by Gatlin garnered 7, forcing the Trojans to kick on fourth.

Rinn went for 4, followed by a 5-yarder by Marek. Rinn got the first in an 8-yard sprint.

Elliott stepped over right guard on a draw play and skittered 25 yards to the U Hi 25.

Then it was Dillon for 4, Elliott for 4 and Rinn 2 for the first. Marek dove for 3 and Dillon crashed for 4.

**Quarterback Scores**  
Elliott kept again, leaping over his right guard spot to score from the 8 standing up. John Wayne Josey's kick was wide. Cameron 6, U Hi 0.

Fuentes returned the kickoff to his 24. Gatlin dove for 4, followed by an Erickson-Gatlin completion for 11 yards.

Fuentes gained 2. Then a 15-yard penalty and a 9-yard loss by QB Erickson set the stage for a screen pass to Gatlin who got back 23 yards before U Hi kicked out.

From the Cameron 12, Rinn raced for 10 and a first down. Elliott lost 4 before Dillon fumbled to U Hi's Whiteside on the Cameron 10.

But the Cameron forward wall rose to the threat, holding three Gatlin rushes for 3 yards and a fourth by Garland for no gain. Cameron took the ball on downs.

It was the deepest penetration for the Trojans.

The Yoemen racked up two quick first downs to gain running room before the drive sputtered at the Yoe 34. Kirk boomed a 41-yard punt to the University 25.

**Gatlin Crashes**  
Again Gatlin was sent into the Yoe line three times, finally gaining 4 on the third try. The Trojans kicked out of the YHS 36.

An Elliott-Green pass was intercepted at the 50 by Glockzin.

Iron-man Gatlin dove for 1, then lost 10 on a screen pass. The Trojans kicked once again.

Elliott tried for the quick score with three straight incompletions. Kirk kicked just before the half ended.

The Trojans could do no better after the half after moving the ball only 6 yards in three plays. Cameron got 8 and no further in the next series of downs and kicked to U Hi at their 14.

Three more tries by Gatlin garnered the Trojans a first. Following 4 by Erickson, Gatlin rambled 45 yards over his left tackle to the Yoe 24. Rinn caught the Trojan fullback from behind to save a score.

But the Trojans stalled as a 15-yard penalty and tough Yoe line-men forced U Hi to kick on fourth.

and 34.  
Dillon and Elliott moved the ball to the Cameron 30 in dives of 6 each. A 30-yard gain by Rinn was called back by a penalty but Rinn and Elliott brought the ball up to the 24.

**Marek Races 76 Yards**  
On third and 16, Marek turned right end, headed for the sideline only to cut back abruptly and outrun the Trojan team for a 76-yard touchdown. He shook loose about the mid-stripe escorted the distance by about six of the YHS team. Josey's kick was wide. Cameron 12, U Hi 0.

Three plays after the kickoff Gatlin fumbled to Cameron at his 39. Two plays later, Rinn zipped 51 yards left, tight-roping the final 15 yards before going into the end zone standing up. Josey's kick was good. Cameron 19, U Hi 0.

Glockzin brought Josey's kick-off back to the U Hi 39. Then the Trojans picked up a first on a 26-yard pass. But the Yoemen held four rushes to 7 yards, taking the ball on downs.

Rinn hit for 5 in three dashes, sandwiching a 9-yard gain on a Elliott-Green pass. Elliott and Rinn combined for 19 left on a lateral with the senior QB lateral-ing off.

**Rinn Scores**  
Marek went for 9, then Rinn the rest of the way down the left side for the score. Josey's kick was good. Cameron 26, U Hi 0.

Desperation passes following the next kickoff netted no gains for the Trojans. The ball went to Cameron on the Yoe 46.

Elliott kept for 4. Marek dove 4 and Rinn skirted left end for 3 as the game ended.

## 6 Milam Schools Finish October Immunizations

Immunizations were completed during October in the St. Anthony's and O. J. Thomas Schools of Cameron, Maysfield, Branchville and Burlington Schools, health officials reported this week.

Immunizations were started in Yarrington, Buckholts, Ad Hall, Sharp, Davilla, San Gabriel and Thorndale Public Schools but were incomplete at the end of the month. Heavy rains and outbreaks of respiratory diseases have almost disrupted the immunization schedules.

A new case of tuberculosis was reported by a private physician making 18 new cases so far this year. The patient was hospitalized within two weeks of report.

Respiratory illness have shown a sharp seasonal increase in number of cases, with Asian or other types of influenza most prevalent. Communicable disease cases reported during October were as follows: 268 cases of influenza, 6 cases of mumps, 14 cases of streptococcal infection, and 1 case each of measles and tuberculosis.

Polio immunizations have dropped off markedly although a large number of children are receiving third shots, officials advise. Now is the time to get the first two injections so that the person will receive his third injection before the polio season starts next summer. Eighteen children received the first two injections and 57 received third shots.

## OJT Defeats Smith In Homecoming, 30-0

The O. J. Thomas Bulldogs celebrated the OJT 1957 Homecoming with a 30-0 victory over Smith High School of Gause Saturday night at Yoe Field.

It was the final game for the Bulldogs.

During halftime ceremonies, Joyce Debose, daughter of Mrs. Georgianna Debose, was crowned OJT Homecoming queen by Principal John Williams.

Other senior candidates were Anna Margaret Talley and Viola Cooper.

## UF Drive Garners \$661 In 1st Report

The United Fund neared completion of its third week with \$661 collections in Hilliard Thomas, fund treasurer, told The Herald today.

Goal for the 1957 drive in North Milam County is \$11,300.

Drive Chairman Robert Nelson said other contributions are forthcoming, but the general drive has been hampered by wet weather.

He said that workers in rural areas found it difficult to travel some county roads.

The drive has been extended to December 1 due to the slow start caused by continuing rains. Nelson pointed out.

Contributions in Cameron are: one community reporting, \$273; schools (teacher contributions), Ben Milam, \$141.50; Ada Henderson, \$167.50; and Yoe High School, \$79.

## Yoe High Students See FHA 2 Act Play

"Grandfathers Clock Goes FHA" was presented to the Yoe High student body last Thursday by the FHA girls.

The cast including Timothy Tucker, Aileen Pilling, Annette Mees, Rita Vessels, Vera Perrin, Mary Lesikar and Charlene Holland. They were introduced by Janice Bridges. The FHA chorus with Marilyn Hughes at the piano accompanied the group.

The purpose of the two act play was to inform other students of the work being carried on by the FHA.
